MEMORANDUM FOR: Secretariat, State-Defense Military Information Control Committee

THROUGH: Army Member, NIS Committee

SUBJECT: Release of NIS to SACEUR and SACLANT - Supplemental List No. 5 to Consolidated Listing dated 15 May 1956

REFERENCE: IAC-D-45/12 (Revision 6) 27 December 1957

1. Pursuant to provisions of reference directive, the NIS Committee, after consultation with the producing agencies, recommends that the NIS units listed in column (2) of the attachment be released on a "need-to-know" basis to the International Staffs of SACEUR and SACLANT and their subordinate commands, as deemed appropriate by the USNMR, SHAPE (SACEUR), and by the USLO, SACLANT. It is understood that prior to such release all "Comments on Principal Sources" will be removed and that dissemination of these NIS is strictly controlled pursuant to provisions of NSCID No. 1 (Revised 28 March 1952). Units listed in column (1) are controlled as "NOT RELEASABLE TO FOREIGN NATIONALS" and are made available to U.S. officials by their parent agencies as their needs require.

2. Particular attention is invited to the fact that some of the units listed in the attachment have not yet been published. Such units are, however, in an advanced stage of production and they will be published in the near future.

3. It is requested that the Chairman, NIS Committee, be informed of all releases of NIS to SACEUR and SACLANT and their subordinate commands.

Signed

  
Chairman, NIS Committee
